Submitted to His Highness

In His Highness' orders dated 2nd March 1906 and 19th February 1908, the suspension of the levy of Octroi on certain articles in the Sidlaghatta Municipality for three years, was sanctioned, and orders were issued accordingly

2 The period of three years having expired by the 1st July 1909, the Board, in view of the present seasonal conditions, applied for the extension of the concession for a further period of three years

3 As, however, the financial condition of the Municipality was not sufficiently prosperous to admit of the Octroi revenue being foregone for another period of 3 years, the question was remitted to the Board for reconsideration

4 With reference to this, the Board have resolved that, as no duty was levied during last six months in the year, the levy may be suspended at least during the remaining part of the year

5 The First Councillor is of opinion that the Board's proposal to extend the period of exemption

for another three years may be sanctioned He states that he would even do away with the duty altogether if the Board would agree to it

6. The Second Councillor is of opinion that as the amount involved is small (it is only Rs 126 per annum) the collection may be suspended till the end of the year as suggested in the Municipal resolution and their opinion invited as to whether it may be entirely taken away

7 The Second Councillor's proposal (being the lesser of the two) may be approved with an observation that the Municipal Council should endeavour to improve their finances by revising the house tax on the better and more valuable class of houses
